WHAT CAN LEGAL AID HELP WITH?

► **Domestic Violence/Civil Harassment Restraining Orders:** If you are feeling afraid of someone you know, live with, have a relationship with, or are related to, we can help you seek a Restraining Order. We will help you prepare all the legal documents you need, assist you to write your story for the judge, help you prepare for your hearing and possibly help you with representation at the hearing. All of these services are confidential and private.

► **Guardianship Services:** If you are caring for, or want to care for a child that is not yours (grandchild, neighbor, a friend's child), a guardianship can give you custody of that child as well as access to financial and medical resources for the child.

► **Eviction/Housing Cases:** If you are being evicted or have questions about your rental housing, we can assist you with information and legal papers to respond to your eviction. We also assist low income landlords who are having difficulty with their tenants or need to file eviction papers. If you live outside of the city of Santa Rosa and have difficulty coming to our office, our Housing Outreach Team may be able to come to you! **Call our HOUSING HOTLINE (or come to our office in person) to see if you qualify or to schedule an appointment with our Outreach Team: 707-843-4432**

► **Elder Law Services:** If you are 55 or over, in addition to the services above Legal Aid can also help with Elder Abuse restraining orders, Consumer Finance/Debt and Creditor issues, and simple Estate Planning. **Contact our ELDER HOTLINE to see if you qualify and to schedule an appointment: 707-340-5610**
