Are you an ELDER (60 +) and NEED ASSISTANCE?

Legal Aid of Sonoma County is Here to Help.

We are still providing legal services for seniors during the COVID 19 outbreak. We provide these services remotely due to the shelter in place orders.

For example, we can help you request a restraining order without going to Court and without having to leave your house. Just call us!

Elder Law Services Include:

- Public Benefits Issues (Medi Cal, Medi Care, Social Security, General Assistance, In Home Support Services, Food Stamps)
- Elder Abuse Restraining Orders-for victims of abuse by caregivers, family members, and others: including financial, psychological abuse/harassment, physical, sexual abuse.
